## New TEA Website is Live!

After lots of hardwork the brand new TEA website, which you can visit at [TEAConnect.org](http://TEAConnect.org), has recently gone live. The website features a refreshed look and layout with an emphasis on upcoming TEA events and news from the TEA Blog. Connections to various social media platforms such as Facebook, Twitter, LinkedIn, Google+ and Pinterest are also featured throughout the new website, allowing TEA members to more easily share information regarding the TEA.

The new TEA website also includes member login capabilities. Information on how to log into your TEA member profile will have been emailed to all TEA members. With you login information, TEA members will be able to update their information in the TEA Member Directory.
