

Western North America Candidate

Jeff Moskowitz

Executive Portfolio Producer
Walt Disney Imagineering
Primary Location: United States
Running for 1st term

ABOUT THE APPLICANT:

I have had a passion for the Themed Entertainment industry since I was a child and have been so very fortunate to turn that passion into a career. Bringing years of operations experience at Walt Disney World, a 10 year career in television production and a now 13 year career at Walt Disney Imagineering together gives me a well0rounded view of the entertainment industry and gives me a unique perspective on how to bring creative and production professionals together. I have just completed 6 1/2 years as the the Executive Portfolio Producer for the Disneyland Portfolio for Imagineering and am now taking that experience to lead a large project for our company as Executive Producer. As far as the TEA, I have long been a supporter of its work and mission. I have had the fortune to attend the last two TEA Galas and have been a featured guest speaker at TEA at USC.

VISION FOR THE TEA

I would like to be the voice and advocate for etc TEA throughout the industry as we go forward, highlighting excellence in our field and sparking the passion for the next generation of leaders and trailblazers. Looking at the next generation of talent and supporting growth and opportunity is a passion of mine and I'd be honored to help in this capacity.

SKILLS AND CORE COMPETENCIES

I excel in the business of creative endeavors and am excited to lend that skill set into thinking that will grow the organization and the business of TEA.
